Studia Universitatis Babes-Bolyai Chemia has been selected for coverage in Thomson Reuters products and custom information services. Beginning with V. 53 (1) 2008, this publication will be indexed and abstracted in the following:

- Science Citation Index Expanded (also known as SciSearch®)
- Chemistry Citation Index®
- Journal Citation Reports/Science Edition

This issue contains extended abstracts of talks given at the first TECHNIQUES OF CHEMICAL AND BIOCHEMICAL REMEDIATION CONFERENCE (BIOREMED) (September, 20-22, 2007) organized at the Faculty of Chemistry and Chemical Engineering of the "Babes-Bolyai" University.

We thank again all participants for their valuable contributions, and we particularly thank those who agreed to publish their abstracts in this journal.

Prof. Dr. Luminița Silaghi-Dumitrescu
